Please note that the following Schools in Bexley, Kent will be recruiting exclusively with St Mary's University. Interested applicants are asked to contact the CTA Co-ordinator, Clare Barclay for more details. Applications will initially be received for your choice of school using the 2QQ2 course code and successful candidates will mainly train in their chosen school with a six week second placement being completed at one of the other Bexley Schools. The course is identical to the Core PGCE route but applicants have a choice of school.
